

# Billing & Insurance Overview

Hospital Knowledge Base Assistant — Reference Document

## Coverage Verification

Insurance information should be verified according to hospital procedures before non-emergency services when feasible.

## Patient Responsibility

Patients may have financial responsibilities such as deductibles, co-payments, or non-covered services depending on their plan.

## Documents

Keep copies of required identification, authorization, referral, and insurance documents according to hospital policy.

## Financial Questions

Direct detailed billing disputes and payment-plan questions to the hospital's designated billing or finance office.

Note: This is a synthetic knowledge-base document created for application development, RAG testing, demonstrations, and training. It is not a substitute for clinical judgment, hospital policy, or professional medical advice.
